**Boarding and Daycare Policies**

- 1) I understand that my dog must be up to date on required shots (distemper, bordatella, rabies), be in good health and free of fleas/ticks
- 2) I understand that if my dog becomes ill/injured or there is an emergency HMK will make every attempt to contact me or my emergency contact listed on the application. If HMK is unable to reach me I understand they will act in a way they feel is best for my dog. I agree not to hold HMK liable for any decisions they make if unable to reach myself or my emergency contact. I also agree that I am fully responsible for the cost of any such treatment.
- 3) I understand that I must have my dog enter and exit on a leash.
- 4) I accept that HMK is not responsible for lost, stolen, or damages to personal property belonging to me/my dog. I also agree that I am fully responsible for the cost of any damage to the HMK facility or its equipment by my dog.
- 5) This is a social environment for the dogs to interact together in a playgroup. Although HMK takes steps to provide a safe environment for the dogs there is a coherent risk that a dog may become injured in playing and or by another dog. Half Moon Kennels is not responsible for any injuries for any dog at the kennel.

I agree by my signature that I have read, understood and agree to the policies, regulation and liabilities listed in this agreement.
